Applicant Name: Castleford Joint School District 417

Castleford Joint School District 417 respectfully request a 471 Deadline Waiver request for 471 #992369. The 471 application was submitted on 4/1/2014- six days after the form 471 filing deadline. Castleford Joint School District 471 is a one school, school district serving approximately 300 students. Last year was the first year I dealt with E-Rate and I am still learning the E-Rate process. The school district was closed during the week of March 24th and reopened on March 31st. When the district reopened, I realized I had not filed the district's 471 for internet access and immediately filed the Form 471. The e-rate funding and related internet access service received by Castleford Joint School District is vital for our students and I respectfully request the FCC grant a waiver of the Form 471 filing deadline for 471 #992369.

Thank you for your attention to this matter.

Sincerely,

Clint Evans
